

Seymour wood bat classic

The Seymour Wood Bat Classic is just around the corner on September 21 – 23. Listed below are the dates and game times. There will be a 2-hour time limit on games, and we will NOT start a new inning after the 2-hour mark. There will also be no infield/outfield before games. Not taking infield/outfield will quicken the start time of the games, especially in the late evening games. We will start the next game earlier than scheduled, if possible. The home team will be listed second. We will flip for the home team on Saturday.

Bats will be provided by Seymour High School. We ask that you leave these bats in the dugouts after your games so the next team can use them. Your players are welcome to use their own bats. We ask that you make sure they are BBCOR approved. We also ask that you bring two baseballs with you for each game. We will supply water in each dugout, but we recommend your players bring bottles to drink out of.
